## Château Bossuet 1998 Bordeaux Supérieur

*An Excellent Bordeaux Supérieur in an outstanding Vintage*

**Château Bossuet – Bordeaux Supérieur AOC 1998 \***

**60% Merlot – 20% Cabernet Franc – 15% Cabernet Sauvignon—5% Petit Verdot  
Aged in Oak Barrels for eighteen months.**

*Located on the gravels and sands of St Denis de Pile, just North of Lalande de Pomerol, the winemaker Laurent Dubost has nurtured this particular vineyard which he inherited from his father, after having started his own production in Pomerol.*

*The wine is extremely well balanced, the tannic structure is well integrated and has mellowed with the years of this fine vintage.*

**Tasting Notes:** The wine opens on a black cherry aroma, with red plums and licorice undertone; it has a distinctive but discreet woody and musty flavor. The bouquet is perfumed and the wine has a good finish. We would say that it confirms that the 1998 vintage has been absolutely superb on the Right Bank of Bordeaux!
