

# Château LES CHAPELLES

## MONTAGNE SAINT EMILION

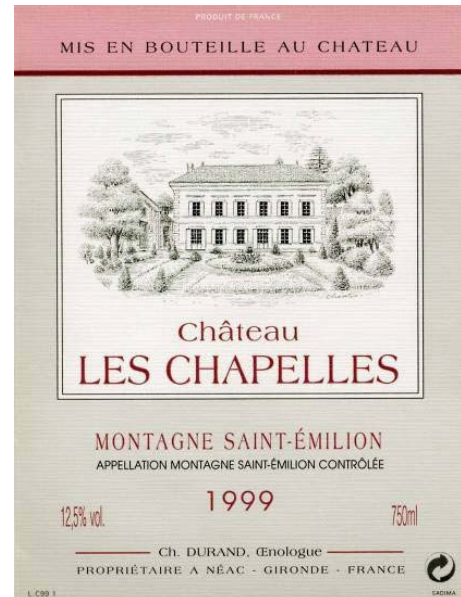

**Area:** 3.50 Hectares  
**Production:** 2,000 cases  
**Harvesting:** Manual harvesting

**Location:** On the district of Montagne St Emilion.  
**Soil:** Clay and limestone on a subsoil rich in *crasse de fer*  
**Wine-making:** Traditional. Thinning-out of leaves practiced at the beginning of Summer on the whole vineyard.  
After bottling in the Estate, the wine is kept at constant temperature in the cellar.

**Variety blend:**

50% Merlot, 33% Cab Franc, 17% Cabernet Sauvignon

**History:** Château Les Chapelles has been managed by the Durand family since more than 300 years.  
Today, Christian Durand runs the family estate. His motivation is to obtain the best result from this superb terroir, by combining the respect of tradition and the use of modern techniques.

This wine has been selected in the Top 100 of Today's Bordeaux  
In February 2007 by a panel of famous American judges!
