*Cyrille Reverdy, Daniel's son is now in charge of the bottled segment of this small artisan family production. Gold Medal several times in Paris and in Macon, three Stars in the famous French Hachette Guide, this 2003 white wine reveals superlative qualities! The nose is at the same time mineral, peppery and fruity. Then it opens into fresh and slightly acidulous but also round and supple flavors. A truly remarkable balance. One of the best Sancerre EVER!*
